Nikita advises employers, corporations, and insurance companies on strategies to prevent, litigate, and resolve claims. She represents clients in a wide range of civil litigation matters, with a focus on construction disputes and commercial vehicle accident claims. Nikita also has experience in insurance defense and employment-related issues, as well as in handling workers' compensation and occupational disease cases, particularly those involving asbestos and silica exposure.

Representative Matters

- Successfully mediated and settled a personal injury claim filed against our general contractor client on a large public project, with 100% indemnity paid by the downstream contractor.
- Defending our general contractor client in an ongoing construction defect case involving architectural and engineering design experts and
